</tr>
</thead>
</table>

2. Name two similarities when referencing a book and a journal article

3. Name two differences when referencing a book and a journal article

4. Which library tool would you use to search for a book or journal article in the ECU library collection?

5. Which referencing style is used at ECU?

   - Click on the link to the ECU Referencing Guide (pdf)
   
   It is a good idea to bookmark this link and print a copy of the guide. It is a guide you will consistently refer to during your degree.
7. Use ECU Worldsearch to find this print book:

How many copies does the Library have?

What is the Call Number?

What are the Subjects listed for this book?

8. On the NCS1102D Professional Conduct and Communication Library Guide Page (within the Nursing Library Guide – Subjects tab) there are links to recommended books and e-books for the Unit. Find the link for this e-book:

What is the title of chapter 4?

9. Use ECU Worldsearch to find & print this journal article:

*Bring a copy of this article to the tutorial.*
