Worksheet 1: Introduction to the Library

1. a. Which library tool would you use to search for a book or journal article in the ECU library collection?

b. Where will you find this library tool?

c. Use this Library Tool to find these sources of information. Decide whether they are a Book or a Journal article:

<table>
<thead>
<tr>
<th>Reference</th>
<th>Book</th>
<th>Journal article</th>
</tr>
</thead>
</table>

2. Of those listed above that are books, which have just print copies and which have the choice of both print and an ebook at ECU library?
3. Use ECU Worldsearch to find this print book:

a) How many copies are held at the Bunbury campus?

b) What is the Call Number?

c) What are the first three Subjects listed for this book?

- Bookmark this link as you will find it useful throughout your study.
- There is a printable guide ‘ECU Quick Guide to APA Referencing’. This provides some useful examples.

5. Which referencing style is used at ECU?

6. There is a page for NUM1102: Communication skills for Nurses and Midwives in the Nursing Library Guide. Here you will find links to recommended books and e-books for the unit. Find this book:

What is the title of chapter 1?
